2020 has been a challenging year for the Huntington Beach City Council and HBRA salutes all those willing to seek to serve on the council. The City of Huntington Beach has been in the forefront of standing up for the local control granted to charter cities by the California Constitution and for the principle of self-government fundamental to the United States of America.

HBRA is a local unit of the California Republican Assembly. Its mission is to uphold conservative principles within the Republican Party and to help Republicans get elected. Interested parties can contact [pat@escrow.net](mailto:pat@escrow.net).
